

ECO Ball (Recycle Used Balls) Collection Campaign

In collaboration with the Hokkaido Golf Course Managers' Association, we ask golfers to put their unwanted balls into a collection box, and through the 3Rs (recycle, reuse, reduce), we work to preserve and improve the environment. We will also donate proceeds from recycling to organizations that support children's cafeterias in Hokkaido.

Collection of scratched balls, unwanted balls, etc. (special box)

Request purchase from a recycling company

All proceeds will be donated to organizations supporting children's cafeterias.
