The North Country Golf Club is conducting "Ecocap Movement (collecting plastic bottle caps)" and "ECO Ball (recycling used balls) Collection Movement" as part of its environmental and social contribution activities.

Ecocap Movement

Collecting and recycling plastic bottle caps to reduce CO₂ emissions

Collect plastic bottle caps

Ecocaps collected by recycling companies for purchase are reborn as recycled plastic resources. Donate the proceeds from the sale to the NPO Japan Committee for Vaccines for the World's Children (in collaboration with UNICEF, order to vaccine factories around the world)

Vaccinate the world's children
